OUR WORDS

Also, the “General Definitions” and “Definitions Specific To This Section” will help You understand what we mean by certain words, and these words start with a capital letter throughout the document. “Definitions Specific To This Section” can be found at the start of each Section of the Policy.

Words that are capitalised in headings do not necessarily have definitions.

APPLYING FOR COVER

The proposal form is completed by You or on Your behalf when You apply for cover under this Policy.

We may request as part of Our underwriting criteria, additional specific information in the form of questionnaires or surveys which will form part of the proposal form. We rely on this information to decide whether to offer insurance and the terms on which We provide cover.

We will:

- identify the Sections You want and matters particular to them, i.e. the property You want to cover, the Sums Insured, any variations to the standard terms and any Excesses that may apply;
- identify the Period of Insurance during which Your Policy will operate;
- inform You about the cover We are able to offer You and the total premium You need to pay for Your Policy;
- advise whether any of the standard terms need to be varied by way of endorsement;
- prior to expiry, send You a renewal notice via Your Broker, which tells You whether We will renew the Policy and if so, on what terms.

The above details are recorded in Your Policy Schedule We issue to You. You need to read it carefully to ensure You are happy with the cover provided and check that the details are correct. You should keep Your Policy Schedule and the Policy documents in a safe place.

HOW WE CALCULATE YOUR PREMIUM

We determine the premium by considering certain information, such as:

- the property being insured – its size, construction materials, and where it is located;
- the level of cover You choose, the Sum Insured and whether You choose to have a higher Excess;
- the type of farming activity You undertake;
- the age of Your Vehicles, their model, use and the accessories or modifications they have;
- whether You have had any previous insurance claims.

The premium may increase where there are factors that increase Our risk, e.g. higher Sums Insured, inferior construction materials or higher incidents of previous claims for this class of insurance. On the other hand, the premium may decrease where there are factors that decrease Our risk such as higher Excess levels, low claims history and superior fire protection.

We tell You when You apply for insurance how and when the premium needs to be paid. It is a term of Your Policy that You pay the premium to Us by the required time. If Your premium is not paid by the due date, or if payment is dishonoured, Your Policy will automatically cease.

MAKE SURE YOUR SUMS INSURED ARE ADEQUATE

We will pay up to the Sum Insured or other specified limits for the insured items and their covers, so it is important You make sure these amounts are adequate for Your needs. If not, some of Your losses may not be covered. You should also review Your Sums Insured whenever Your situation changes.

UNDERSTANDING YOUR POLICY

You need to read Your Policy carefully to ensure that You understand its significant features, benefits and risks. You need to read:

- about each cover type and its benefits, along with what is not covered under each Section;
- the Duty of Disclosure that You need to meet before We can insure You, Our information on how to make a complaint and Our Privacy Statement;
- the General Definitions and the definitions specific to the Section, which explain what We mean by certain words used in the Policy;
- the General Exclusions, which set out the exclusions and limits that are applicable to all Sections in the Policy;

- the General Conditions, which set out certain general rights and obligations that You have and We have under the Policy. If You do not meet Your obligations We may refuse to pay a claim, or where We have suffered prejudice as a result of Your failure to meet Your obligations, We may reduce the amount We pay You by the extent to which We have suffered prejudice;
- Your Policy Schedule, including any endorsement or other written changes to Your cover We issue You with, as these contain specific details relevant to You which can affect the cover.

WHAT MAKES UP YOUR POLICY

In accordance with the Policy terms and conditions, Your Policy is made up of Your proposal, this Policy Wording, Your Policy Schedule and any subsequent written endorsements We issue to You. They should all be read carefully and kept in a safe place. The Policy terms will apply even if you have not read them.

We only provide You with insurance under the terms of the Policy and only for the Period of Insurance shown on Your Policy Schedule. The insurance provided under any of Our Sections is also subject to Our General Exclusions and General Conditions, together with the provisions shown on the Policy Schedule issued to You.

OUR CONTRACT WITH YOU

The contract of insurance is based on the information You gave Us when You applied for the insurance, and any subsequent information which You have supplied.

We will provide cover for those Sections of the Policy You have selected and that are shown on Your Policy Schedule.

You must pay the premium and any relevant government charges for the Period of Insurance and comply with all the Policy terms and conditions.

The Policy, any other declarations You make and any endorsement, amendment or alteration to Your cover will form the legal contract between You and Us.

UPDATING THE PDS

We may be required by law to update the PDS and in these cases, We will provide You with a new PDS or a Supplementary PDS. Where there is information that a reasonable person would decide is not materially important when making a decision on purchasing this insurance, We will include this information on the Insurance Facilitators website – www.if.net.au. We give You a cooling-off period of fourteen (14) days from the start date of the Period of Insurance, in which You can review Your Policy documents to ensure You have made the right decision. If You have not made a claim within that period and decide that You do not want the insurance, You can cancel it from the start date if You request cancellation within the fourteen (14) day period. We will give You a full refund of any premium You have paid.

After the cooling-off period has ended, You still have cancellations rights as per the “General Conditions” applicable to this Policy.

YOUR DUTY OF DISCLOSURE

This Policy is subject to the Insurance Contracts Act 1984 (Act). Under the Act, You have a Duty of Disclosure.

Before You enter into an insurance contract, You have a duty to tell Us anything that You know, or could reasonably be expected to know, that may affect Our decision to insure You and on what terms. The Duty of Disclosure extends to any person or entity other than You that the benefits of this Policy apply to.

You have this duty until We agree to insure You.

You have the same duty before You renew, extend, vary or reinstate an insurance contract.

You do not need to tell Us anything that:

- reduces the risk We insure You for; or
- is common knowledge; or
- We know or should know as an Insurer; or
- We waive Your duty to tell Us about.

NON-DISCLOSURE

If You do not tell Us anything You are required to, We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both.

If Your failure to tell Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

GOVERNMENT CHARGES

Your total premium will also include compulsory government charges such as the Goods and Services Tax (GST), Stamp Duty and Emergency Services Levy depending on the class of insurance and the State or Territory of Australia where the risk is located. These amounts will all be shown separately on Your Policy Schedule.

If We are required to pay the Emergency Services Levy based on an estimated amount, it is based on criteria set by the Government. We allocate to the Policy Our estimate of the amount We will be required to pay. This may result in a discrepancy, however, We will not alter Your premium at the end of the Period of Insurance.

The Goods and Services Tax (GST) and Your Insurance (GST-Registered Policyholders only)

INFORMATION YOU MUST GIVE US

If You are registered, or required to be registered, for GST purposes, You must provide Us in writing with Your ABN when requested. You must also advise Us in writing what Your Input Tax Credit (ITC) entitlement is for the insurance premium, either:

- a) on or before entry into, renewal or variation of this Policy; or
- b) if permitted under the GST Law, at any other time at or before You first notify Us of a claim under this Policy.

If You have told Us Your ITC entitlement under (a) above and Your ITC entitlement later alters, You must tell Us in writing about that alteration.

If You are registered and cease to be registered for GST purposes, You must tell Us immediately in writing.

CHANGING THE TERMS AND CONDITIONS OF YOUR POLICY

You may ask Us to change Your cover. If We agree, We will confirm the change in writing.

Should You become insolvent or bankrupt, We shall not be relieved of the payment of any claims hereunder because of such insolvency or bankruptcy.

In the case of execution against You of any final judgment covered by this Policy being returned “unsatisfied” by reason of such bankruptcy or insolvency, then an action may be maintained by the other party or their representative against Us in the same manner, and to the same extent as You, but not in excess of the Sum Insured.

- a named cyclone.

Unless:

In respect of the "Farm Property" and "Domestic Property" Sections:

- the risk passed to You as purchaser of Your Insured Property immediately before You took out this Policy; or
- You signed a lease contract for Your Insured Property immediately before You took out this Policy; or
- Your Policy commenced immediately after another Policy covering the same expired risk without a gap in cover.

In respect of the "Motor Vehicles" Section:

- the cover commences directly after another insurance policy covering the same Vehicle expired without a gap in cover;
- You have entered into a contract of sale to purchase the Vehicle; or
- You have entered into a contract to lease the Vehicle.

You may be required to allow Us or Our agents, by appointment, to:

In addition to Your cooling-off rights detailed in this Policy, You may cancel and return this Policy at any time by notifying Us in writing.

You may also cancel any Section at any time during the Period of Insurance by notifying Us in writing, the request becoming effective when received by Us.

We have the right to cancel this Policy where permitted by law. For example, We may cancel:

- if You fail to comply with Your duty of disclosure; or
- where You have made a misrepresentation to Us during negotiations prior to the issue of this Policy; or
- where You have failed to comply with a provision of Your Policy, including the term relating to the payment of premium; or

where You have made a fraudulent claim under Your Policy, or under some other contract of insurance that provides cover during the same period of time as Our Policy covers You.

Where You represent more than one person or entity, We will only require a request from one of You to carry out the cancellation

In the event You make a claim under this Policy and We have agreed to pay the full Sum Insured for Your Insured Property, no return premium will be made for any unused portion of the premium for those Sections under which the full Sum Insured has been paid.

If You cancel the Policy, We may deduct a pro-rata proportion of the premium for time on risk, reasonable administrative costs related to the acquisition and termination of the Policy, and any Government taxes or duties We cannot recover.

Company acquisitions

Provided an acquired business is similar to Your current Farm Business, We will provide cover subject to Your acceptance of Our terms, and the payment of any additional premium that may be required.

You must notify Us in writing within thirty (30) days of the details of any acquisition during the Period of Insurance, which includes:

- any company or other legal entity acquired;
- any Insured Property or liability associated with such company or other legal entity or business undertaking or operation.

Our liability shall not exceed the Sum Insured, or any sub-limit of liability applicable under the relevant Policy Section(s) making up Your Policy for each category of Insured Property.

Cross liability

Where the Insured comprises more than one legal entity, We will treat and indemnify each party as a separate Insured in the same manner as if a separate Policy had been issued, provided that:

- each party shall be subject to the terms, conditions, exclusions and definitions of this Policy; and
- the limits of liability/Sum Insured under this Policy will not be affected or increased as a consequence of this condition.

Dangerous Goods

When Dangerous Goods as defined under "General Definitions" are covered under this Policy, they must be used, stored or transported strictly in accordance with all statutory obligations, bylaws, regulations, public authority and occupational health and safety requirements in relation to the normal Farm Business.

Interested parties

We will not accept any financial interests over Insured Property of any party other than You, unless You have notified Us of such interest and:

- requested the interest be noted on the Policy;
- authorise Us to use that party's personal information about You in connection with that Policy.

We must have agreed and noted that interest.

That party is not covered nor do they become an Insured under the Policy. If the interests of another party have been noted on the Policy, then in the event of a claim We are obliged to enquire from that interested party whether the claim is subject to that interest. If so, We are then obliged to first make payment of the claim to the interested party and thereafter make payment to You of any balance. A payment by Us to an interested party constitutes a discharge of Our liability to You under the Policy to the extent of that payment.

Joint insurance

When this insurance is arranged in names of more than one Insured, as described in the definitions of "You, Your, Yours", it is agreed that:

- each Insured shall be insured as if he, she or it made his, her or its own proposal for this insurance;
- a statement, omission, act or claim made by any Insured will be treated as having been made by all Insureds;
- a request from one (1) Insured will be sufficient to alter or cancel Your Policy.

This Policy is governed by those laws within the State or Territory that the insured risk is located and all parties are governed by the courts within that State or Territory.

Notices and notifications

Any notice We give You will be in writing and where You means more than one legal person or entity, any notice given by Us to You under Your Policy will be deemed to be notice given to all persons or entities.

Any notice and/or notification will be effective if it is:

- delivered to You personally; or
- delivered or posted to Your address last known to Us which may include electronic addresses.

All communications to Us must be made or confirmed in writing by You or Your Broker.

Other insurances

We require written details of any other insurance cover taken out or which may be subsequently taken out covering, whether wholly or in part, any risk or subject matter of this Policy.

This does not apply to the cancellation General Condition. Breaching of a condition without Your knowledge or consent, or error in name, description or situation of the Insured Property, may not prejudice Your rights under this Policy, provided notice in writing is given to Us when such breach or error comes to Your knowledge. If You make a dishonest claim, We can refuse to pay it. We may also cancel the Policy.

When You are paid a claim under this Policy, We will pay the claim including the GST and deduct the payments for any input tax credits that You are, or would have been, entitled to receive from the amount of Your claim.

- if We accept liability for the loss, sell such Insured Property or dispose of it in a reasonable manner;
- act in Your name and on Your behalf to negotiate, defend or settle any claim at Our expense.

However, You are not entitled to abandon property to Us.

If We elect or become bound to reinstate or replace any Insured Property, You must at Your own expense produce and give Us all such plans, documents, books and information as We reasonably may require.

We will not be bound to reinstate exactly or completely, but only in a reasonable manner given the circumstances. In no case will We be bound to pay in respect of any of the Insured Property more than the Sum Insured.

We may pay all or part of a claim for loss or damage to Your Farm Building or Domestic Building to any mortgagee or creditor who is noted in Your Policy Schedule. We will only do this if We agree to pay the claim on a cash basis, i.e. make a payment in lieu of paying the cost of repairs. We will not pay the mortgagee or creditor more than the amount outstanding under Your mortgage or credit arrangement. If this is less than the amount We agree to pay in settlement of the claim, We will pay You the balance. Any amount that We pay to a mortgagee or creditor will satisfy Our obligation to You for the amount paid.

All damage resulting from earthquake and/or tsunami that occurs during a period of seventy-two (72) consecutive hours will be considered one event, and this applies to the application of any Excess.

Preventing our right of recovery

Where another person, other than a person exempted by law, is liable to compensate You for any loss or damage covered by this Policy, but You have agreed, or given an undertaking to that person without Our written consent, either before or after the loss, damage or liability occurred, that You would not seek to recover any monies from that person, We will not cover You under Your Policy for any such loss, damage or liability.

Reinstatement of Sum Insured

When We have settled partial losses of Insured Property, We will reinstate from the date of loss or damage the Sum Insured which was shown on Your Policy Schedule at the time of loss. This does not apply to any total losses of items listed on Your Policy Schedule, or losses under "Section 4 – Farm Liability", or under "Section 1 – Domestic Property; Part C Domestic Liability". We will reinstate the Sum Insured unless:

- You request otherwise, or We advise you otherwise;
- We state otherwise in the relevant Section of this Policy wording.

If We request an additional premium, this must be paid for the reinstated Sum Insured to continue.

In the event of any payments made by Us under this Policy, You will subrogate Your rights of recovery against any person or organisation at Our expense and in Your name. You must provide Us with all reasonable assistance including appropriate papers. Any amount recovered shall be applied in accordance with the provisions of s67 of the Insurance Contracts Act 1984.

The maximum amount We will pay for an accepted claim is the Sum Insured per item which will also be shown on Your Policy Schedule.

PART A - DOMESTIC BUILDING***Replacement and Reinstatement***

Where *"Replacement and Reinstatement"* is stated in Your Policy Schedule, We will at Our option:

- repair or rebuild as practicable any damaged part(s) of Your Domestic Buildings to the same condition they were when new, or;
- pay the reasonable cost of repairing or rebuilding Your Domestic Building to a condition substantially the same as when new in which case, any discount available to Us will be deducted from the settlement, or;
- pay you up to the amount of the Sum Insured.

We will use building materials and construction methods commonly used at the time of loss or damage. However, if it is not possible to use original materials, We will use the nearest available equivalent.

We will not pay to repair or rebuild any part of the Domestic Building(s) which have not sustained any physical damage.

In the event of a Total Loss, if rebuilding does not commence within six (6) months of the damage occurring, including where any extended period has been agreed to by Us, You may be liable to pay for any increase in rebuilding costs caused by Your delay and any shortfall in providing for the cost to repair must not be due to underinsurance.

We may agree in writing to allow Domestic Buildings in the event of a Total Loss to be rebuilt on another site at the Situation, provided that the replacement costs are no more than they would have been had the work been carried out at the original site.

Where the claim is for gates, fences or freestanding walls that are damaged as a result of Storm or runoff, We will deduct an amount from any claim for depreciation due to age and condition for:

- wooden parts;
- materials used over five (5) years old;
- previous damage caused by wear and tear, rust, corrosion, termites, vermin, larvae or other insects.

Amounts to be deducted are calculated by comparing the current value of items being repaired with their age and condition.

- pay You the indemnity value of Your Domestic Building prior to the loss or damage occurring;
- repair or rebuild any damage to Your Domestic Buildings;

- pay You the cost to repair or replace the item(s).

PART B - PERSONAL ITEMS

- repair or replace Your Personal Items to the same condition as when they were new; or

BASIS OF CLAIM SETTLEMENT

We will, at Our option, either pay to repair or replace Your Vehicle, or pay You the Market Value or Sum Insured, whichever is the lesser amount.

If Your Vehicle Can Be Repaired

When We consider it economical to repair Your damaged Vehicle, We:

- will repair Your Vehicle to the same or reasonably similar condition and standard it was immediately before the Insured Loss;
- pay the reasonable cost of the repairs for Your Vehicle;

- may ask You to contribute an additional amount if it is necessary to repair the Vehicle to a better condition than it was prior to when the accidental loss or damage occurred. This includes but is not limited to radiators, engines, paintwork, bodywork or interior trim;
- pay any applicable Additional Benefits; or
- will replace or repair to a similar condition, if damaged, additional cover items described under “Cover A – Comprehensive Cover”.

Authorising Repairs

Repairs cannot be authorised without Our consent and will not be paid for if that consent has not been given. Before repairs can be authorised We may require Your Vehicle to be inspected on site by an assessor appointed by Us, however We may authorise cover for a comprehensively insured Vehicle as provided for under the following Additional Benefits:

- emergency and temporary repairs;
- towing, storage and protection; or
- glass replacement.

Once We agree to accept and authorise Your claim for a partial loss, the repairs can be completed at the repairer of Your choice. Alternatively, We can arrange the repairs with an authorised repairer if one is available, or offer You a choice of repairers within Your area.

If for some reason the chosen repairer is not licensed or does not meet Our standards for safety, fairness, quality, effectiveness and pricing, We will move Your Vehicle to an appropriate repairer of Our choice to carry out repairs.

Non-Authorised Repairers

If You choose Your own repairer and We do not authorise the repairs, We will:

- pay an amount equal to the reasonable repair costs after assessing, reviewing and possibly adjusting the repairer's quote; and
- not provide any guarantees for the quality of the workmanship and materials in relation to the repairs.

We will not be held liable or responsible for:

- non-completion of repairs within a time frame that You have requested;
- additional costs incurred due to delays in the delivery of parts; or
- costs incurred where the repairer is unable to match existing paintwork.

Guarantee and Warranty

We guarantee materials and the workmanship of repairs completed by an authorised repairer when authorised by Us. This guarantee is for the life of the Vehicle while You are the registered owner and is in addition to Your statutory rights against the repairer and warranties that You have from the repairer directly. We will arrange for repairs authorised by Us to be rectified at no cost to You if We agree that the repairs are defective. Before arranging for any defective repairs to be rectified, We must have the opportunity to inspect the Vehicle.

However, We will not pay for:

- defects caused by deterioration or natural wear and tear of the repaired surfaces;
- use of the Vehicle including exposure to the elements;
- rust or corrosion unless directly attributable to the repairs; or
- rectification work carried out by a repairer other than the original authorised repairer unless agreed in advance by Us.

However, if such list is not available, We will only pay for the cost of parts including surface freight from the nearest reasonable source of supply.

You are not covered for loss of use caused by any delay in the repair process due to the importation of parts.

Tyre Replacement

If a tyre is damaged as a direct result of an Insured Loss, We will pay the reasonable costs of replacing a tyre with a new tyre of similar make and specification to the tyre that is damaged and unable to be used again, provided that the condition of the damaged tyre's remaining tread conformed with all legal requirements at the time of loss and was not recapped or re-treaded.

Undamaged Areas

We do not repair undamaged areas of Your Vehicle to create a uniform appearance.

- were affected by the Insured Loss; or

Replacement of Damaged Parts

Parts used in the repair of Your Vehicle will be new or used original manufacturer's parts consistent with the age and condition of Your Vehicle. If unavailable, new parts not manufactured by the original manufacturer or their supplier will be used, provided that the parts comply with the applicable Australian Design Rules.

Recycled or reusable parts which are not manufactured by a supplier to the Vehicle's original manufacturer will only be used where new parts are not available and if used, will be those which in Our opinion:

- do not affect the safety or structural integrity of the Vehicle;
